

Borders League 2025-26

Race 1 Tattenhall

Race Information Sheet

Date: Sunday 28th September 2025, 11:00am

Venue: Tattenhall Recreation Club – Field Lane (off Burwardsley Road), Tattenhall, Chester, CH3 9QF
(what3words: [///quaking.pupils.classics](https://www.what3words.com/#!/en/square/4888/8888/8888))

Course: This can be viewed here: <https://www.mapmyride.com/routes/view/5190746092/>

The course route takes you through the countryside surrounding Tattenhall. It is approximately 9.8km.

It begins and finishes next to the Tattenhall recreation club in the village. The first 2 km are relatively flat. At the 2km mark you will turn right and there is a gentle incline for the next km. At the end of this stretch (around 3km) is a left turn. For the next 2 km there are some undulations (mainly up) which peak in height around the 5.5km mark. From here the run is mainly downhill until the last 2km which are relatively flat and lead back into the village.

The traffic will be held for 15 minutes at the start for approximately the first 1.5k. After that the roads are open so **PLEASE STAY ON THE LEFT-HAND SIDE OF THE ROAD**, do not cross the centre white line on the road unless turning right. Watch out for traffic at all times. The marshals will be on hand at all turnings to ensure you are heading in the right direction. The roads may have some small potholes so watch for these.

Elevation

Getting there: Tattenhall is to the south-east of Chester. You will likely need to use the A55 or A534 (from Wales) or M56 / M53 (from England) to get to Tattenhall.

If taking the A55 – come off at junction 39 (signposted Chester/Whitchurch) and take the A41 towards Whitchurch. After approximately 5km take a left turn onto Chester Road (signposted Tattenhall). This takes you into the centre of Tattenhall. Once you reach the village turn left onto the High Street and the recreation club is about 100 metres further on the right.

If taking the A534, turn left onto the A41 at the Broxton roundabout. Continue on this road until you reach Chester Road on your right and follow the same directions as above.

If using the M56, come off at the Chester Junction (15) onto the M53 towards Chester. Take junction 40 (signposted Chester, Nantwich and Whitchurch) and follow the signs for Whitchurch via the A41. Take the 3rd (right hand) turn off the roundabout then a left at the next two sets of lights. You should now be on the A41. Follow this for 5km and then take a left onto Chester Road and follow the same instructions as above.

Parking: The club is just on the edge of Tattenhall village. Ample parking will be available in a nearby field (our marshals will direct you). If you wish to get away promptly once other runners may still be coming in, we suggest you use the car park off High Street or park in a safe location along Tattenhall Road or High Street (our marshals will direct you). Please car-share to reduce pressure on spaces.

Facilities: There are male and female toilets within the Recreation Club Building. There will also be some portaloos for additional female use near the start of the race outside the building. Please don't urinate in the bushes as we have had complaints from villagers about this!

There will be hot/cold drinks and a selection of hot food available from the bar during and after the race. Water will be provided at the end of the race and there will be a charity bake sale for Kitsquad who provide support nationwide to enable those living in poverty to get outdoors.

Warming up: You can use the surrounding roads for warming up but please avoid doing so in large groups to mitigate the risks of encountering traffic. Please do not run on the cricket pitch next to the Recreation Club. Please, of course, be courteous to others on pavements.

First aid: First aid and safety cover is provided by Bike Marshals, comprising of two safety motorcycles (one leading and one at the rear of the race) plus a support car at the start/finish.

Weather: Please check on the Borders League website/ Facebook page and with your club captain if the weather forecast is for poor conditions.

We wish you a great race!
